Notes:

Persons per unit based on Department of Finance data

Tanner based on average of Amador City and City of Sutter Creek.

All CAWP, La Mel, and LCV based on unincorporated area

Excludes all wholesale users, but includes MCSP.

Number of residential connections is based on MIG Report (Meters in Ground) - 11/30/98

Usage data by category based on spreadsheet from Ann (title 1998 to 2002 PWSS)

Total water into system based on spreadsheet from Ann (CAWP Historical Data)

No La Mel total water into system data available. Multiplied sold by 1.0305 (average of ratio of produced to sold for 1995-1997)

The Agency did not supply water to Lake Camanche Village prior to 2001 and it has therefore been left out of this report.

Persons per unit based on Department of Finance data

Tanner based on average of Amador City and City of Sutter Creek.

All CAWP, La Mel, and LCV based on unincorporated area

Excludes all wholesale users, but includes MCSP.

Number of residential connections is based on MIG Report (Meters in Ground) - 11/30/98

Usage data by category based on spreadsheet from Ann (title 1998 to 2002 PWSS)

Total water into system based on spreadsheet from Ann (CAWP Historical Data)

No La Mel total water into system data available. Multiplied sold by 1.0305 (average of ratio of produced to sold for 1995-1997)

The Agency did not supply water to Lake Camanche Village prior to 2001 and it has therefore been left out of this report.
